<p>Title</p> <ul style="list-style-type: none"> Hook us in! 	<p>The wrecked ship</p>
<p>Introduction</p> <ul style="list-style-type: none"> Who was there? Where were you? When was it? Why did it happen? How did you get there? 	<p>A long day of work 2023 July 18 I just wanted to sit down at home and relax but my older sister had other plans. Her name was Jenna and she was 28 years old. So she persuaded me to go . We drove to Pirates of the Caribbean in my sister's car and went on one of the ships . It was going well at first but then... The boat sank!!!</p>
<p>Event 1 Paragraph 1</p> <p>Begin with a time connective word</p> <ul style="list-style-type: none"> Show what happened in time order 	<p>First, after a long day of work on Monday July 18th 2023 I came back from work to relax, but I got a phone call from my older sister Jenna. So Jenna came and picked me up in her car and we drove to the place called the pirates of the caribbean. Once we got there, there was a huge line leading to one boat. It was the biggest boat I had ever seen. Once we got on the boat the boat took off and the boat was going well until the ship started sinking!!!!</p>
<p>Event 2 Paragraph 2</p> <p>Begin with a time connective word</p> <ul style="list-style-type: none"> 	<p>After the boat started sinking everyone started to panic and scream .Some of the people wanted to get off so they jumped off, and one of those people was me and my sister. Butwe were too slow because when we jumped we were under the ship , so when it started to sink the boat carried us under.</p>
<p>Event 3 Paragraph 3</p> <p>Begin with a time connective word</p> <ul style="list-style-type: none"> 	<p>Then, once the ship was fully under water, every swam up to the shore to get air. But a predator under the sea had other plans. The predator was a large eel that was very hungry. The eel chased everyone up to shore but the unlucky ones . No one knew what happened to them, but everyone who made it was shocked about what happened. I hoped to never go on a ship again.</p>
<p>Ending</p> <ul style="list-style-type: none"> How does your recount end? “I” statement 	<p>I felt horrified and shocked about what happened because if me and my sister moved forward a little we would have already been on shore ,but I'm just glad that we made it out alive. But if the ship had life jackets everyone would be on shore. The end</p>
